About the Junior League of Pittsburgh

The Junior League of Pittsburgh (JLP) is an organization of women whose mission is to advance women's leadership for meaningful community impact through volunteer action, collaboration, and training. Since 1922, the JLP has been serving the Greater Pittsburgh Area and has been committed to making a difference in the lives of Pittsburghers.

The JLP has been the driving force behind initiatives and institutions that make our community a healthier, more vital place to live. Since 2015, we have been committed to tackling food insecurity in Pittsburgh's East End, devoting over 7,500 volunteer hours and awarding over \$50,000 toward this cause over the past decade.

Our dedicated members come from a wide variety of backgrounds and interests and share a commitment to volunteering. We work together to identify unmet needs, forge effective coalitions and implement change. Time and time again, the Junior League is one of the first to step up and tackle our community's biggest challenges. For over a century, the Junior League has been developing women leaders to do a world of good.
